## UPS Canada Negotiations Update #9 (voting extended)

October 29, 2020

Sisters, brothers,

It has come to our attention that, due to postal delays, several members still have not received their voting package with instructions on how to cast their ballot.

**Therefore, we are extending the deadline to vote to Friday, November 6 at 10:30 am ET to ensure all members can make their voices heard.** Results will be announced on the same day.

This voting process is one of the important parts of your working lives. It is imperative that you vote.

To view the whole package online, visit <http://teamsters.ca/UPSoffer>.

If you still have not received your voting package, please call the voting company at 1 888 281 8683 immediately and notify your local union representative.

Please watch for further updates from Teamsters Canada and your local union. All previous bargaining updates can be found on <http://teamsters.ca>.

As always, if you any questions or concerns, please contact your local union. Most importantly, vote.

In solidarity,
